

I would like to thank you for electing me as your Secretary General.

I am an immigrant to New Zealand having arrived here in the late 90's from South Africa via the UK.

My Police career began almost 17 years ago and I am currently a frontline supervisor in a town in the South Island.

I am also the current treasurer for Region 5. I have been a member of the IPA since 2016.

My wife and I have twin girls who will be starting high school in 2021.

I am excited and proud to be representing the IPA New Zealand Section.

My vision is to see an increase in membership and to continue and expand on the good work the IPA does, including fostering friendship and collaboration with our member sections.

Thanks  
Darrell Strick  
Secretary General
