

Hi my name is Paul Housley, thank you for electing me as your National Treasurer.

I have been a New Zealand Police member now for 20 years and am currently a Senior Sergeant for Case Management in Waitemata, Auckland.

Having joined the New Zealand section of the International Police in 2008 I became involved on the committee of the Auckland Region 1 section and am currently the Treasurer for that region.

My vision as National Treasurer is to competently look after our financial business, introduce management software to better recruit and retain our members into the future. I also want to innovate and streamline the way we do things which in turn will lead to savings and better management of our finances.

Currently we are financially healthy and I want to build on that during my term as National Treasurer.

Please get in touch with me if you have any suggestions on how we can manage our finances going forward.

Thank you in advance for your support and I look forward to working with you all.

Paul Housley.
