

Hi my name is Stephanie Gemmill (Steph) and I have been a Sworn member of New Zealand Police for 6 years.

I have spent this time Policing in Christchurch City with a few short stints in rural Canterbury and am now in the Canterbury CIB completing the Detective Development Programme.

Born and bred in Canterbury currently live in Lincoln, Selwyn District.

I have been a member of the NZ IPA for 3 years and am currently the secretary for Region 5, also I joined to develop my social networking within the Police both in NZ and overseas. I have a passion for travel and am interested in enhancing the image of the International Police Association and the NZ Police in other countries and making great friendships along the way.

I am committed to my position in the IPA and look forward to the events ahead of us.
